CURACIES AND CHAPELRIES IN THE DIOCESE OF ST ASAPH, 1563

(Journal of Welsh Religious History Volume I, Welshpool 1993, pp. 14ff, transcribing Harley MS 594)

It has not proved possible to identify accurately all the place-names listed under curacies and chapelries. This may be due to

- (1) Difficulty by the original scribe in understanding the name;
- (2) Difficulty in reading the manuscript; or
- (3) Change of place-names or disappearance of a site from the map.

Where the identification is dubious, the place-name is preceded by (?)
