Is There Quality in Qualitative Research?

Seems so in the words,
But that’s a deceit.
Does it matter if there isn’t?
Maybe so, maybe not.

Can we see it?
Do we feel it?
Can we tick it off?
Is it more elusive?
Maybe so, maybe not.

Depends on who we are?
In the eye of each beholder?
Perhaps the vibrancy of things?
Maybe so, maybe not.

An illusion to believe in?
Or a principle to serve?
Maybe so, maybe not.

Do we want to know the answers?
Maybe so, maybe not.
